

MOMMY & ME

A FUN AND SAFE ENVIRONMENT
DEDICATED TO YOUR CHILD'S
ENJOYMENT AND LEARNING!

Have a little one interested in horses?

This is a new program designed for kids 2-5 to do with their parent! This is a one hour lesson, including grooming and riding. When you arrive we will groom the horse together, learning about safety and care, then we will ride bareback or in a saddle on our

wonderful horse Sonoma Sapphire. Lessons are semi-private and each youngster and parent will get an opportunity to take a ride.

Riding is a great way to get outdoors, learn about animals, help with core strength and balance and bond with

your child! This special class has an introductory price of \$40 per class. Classes will be offered every Tuesday at 9:30am.
